> Background (5 sentences or more):

'Once upon a tale, a young tuner walked upon a trail,there he met a WINE-a mimic type faey bird who charmed its prey.Unknowing,the boy was kind,gently watching and collecting its feathers. The bird now knew one thing-it fell inlove.To keep the human with it forever it 'claimed him' turning him a faey.Stripped of his status of being 'alive', rage turned his world red.
